("licenser")

concerning

## **The Wiedmann Bible**

### **Preamble**

The present licensing terms establish the circumstances under which a legal entity or natural person (hereafter referred to as "licensee") may use the licensor's apps, in particular "The Wiedmann Bible" (hereafter referred to as "app"), DVD or other media belonging to the licensor.

### **1. Licence**

The licensor grants the licensee a non-exclusive licence, unrestricted by time or place, for the use of the app's content, in particular "The Wiedmann Bible", the DVD or other media belonging to the licensor, in compliance with the following terms. All other content rights, including trademark and copyright, will remain property of the licensor and author of the content.

## **2. Licence distribution**

The licence is not transferable on any account.

## **3. Purpose of use**

The content may be used by the licensee for editorial purposes (reporting, teaching material, Powerpoint or other presentational applications etc.). The content may be distributed electronically (via email, social media, as electronic greeting cards or similar, etc.).

Any commercial use of the content on websites of a magazine nature, in magazines or similar media is not permitted.

## **4. No editing rights**

The content cannot be altered.

## **5. Copyright**

When using the content, it is mandatory that the copyright is indicated.

## **6. Illegal use**

The content may not be used

- a) for pornographic, sexist, villainous, aspersion, racist or religiously offensive representations or to harm minorities.

b) in a way that vilifies the author, the licensor or the content, especially the Christian religion, or in a way that the author or the licensor might disagree with.

To clarify:

- c) as brand, industrial design, logo or company symbol or as part hereof.
- d) for unauthorised direct and indirect communication measures (such as spamming).
- e) for any other illegal actions.

## **7. Assignment of the rights of use**

The rights of use will be assigned according to the respective licence at the time of purchase of the app or media.

## **8. Licence fee**

The licence fee is included in the price for the app or the media.

## **9. Final clause**

These licensing terms shall be governed by substantive Swiss Law to the exclusion of the United Nations Convention on Contracts for the International Sale of Goods. The ordinary court of the licensor's domicile shall be exclusively responsible for the resolution of any disputes.

### **Licensee:**

The licensee agrees with the licensing terms.

The licensing terms signed and dated by the licensee shall be sent electronically to [info@thewiedmannbible.com](mailto:info@thewiedmannbible.com).
